Connected kitchen, cleaning, air,
water and wellness

About ACEXM7 Events

ACEXM7 Events Private Limited is a leading B2B industrial exhibition organiser based in New Delhi. Since 2015, we have been creating high-impact platforms that connect industries, drive business growth, and enable innovation.

About ELCOMA

Established in 1970, ELCOMA is the definitive voice of India's lighting industry—representing its most respected and pioneering organizations.

From shaping policy frameworks to championing energy efficiency and innovation, ELCOMA continues to drive the industry's evolution on a global stage.

Why ELCOMA Matters

- > Strong government & industry connect
- > Promotes innovation & energy efficiency
- > Represents leading lighting manufacturers

A Strategic Alliance That Matters

Partnering with ELCOMA unlocks unparalleled access to industry leadership, regulatory bodies, and key stakeholders—offering exhibitors a distinct competitive advantage.

A focused platform for discovery, demonstration, specification and business.

LED scale is creating a higher-value market

THE LED TRANSFORMATION

36.87 cr UJALA bulbs distributed
407.92 cr LED-bulbs sold in the wider market
1.34 cr+ SLNP streetlights installed

Growth is shifting to architectural lighting, controls, connected outdoor systems and specialised applications

Market Outlook

> **₹45,000 Cr+**
Derived 2026 market estimate

> **7.1% CAGR**
Projected CAGR, 2025–2032

> **US\$7.67 BN**
Projected size by 2032

Smart living is becoming an integrated ecosystem

THE DEMAND ENGINE

Urban projects

Connected features enter residential and commercial briefs

Interoperability

Matter, KNX and multi-brand integration expand ecosystems

Security + energy

Access, IAQ, solar, storage, EV and smart metering converge

Adjacent appliances: ₹1.98 lakh cr (2024)
₹3.03 lakh cr (2030)

Market Outlook

> **US\$6.71 BN**
Estimated India smart-home market, 2026

> **29.12%**
Projected CAGR, 2026–2031

> **US\$24.1 BN**
Projected size by 2031

LIGHTING EXHIBITOR PROFILE

The complete lighting value chain

A focused showcase for luminaires, components, controls, design-led products and application-specific technology

Architectural & Professional

Profiles, tracks, downlights, façades and projection

Decorative & Designer

Chandeliers, pendants, sconces and bespoke lighting

Residential to Hospitality

Homes, offices, retail, hotels and experience spaces

Industrial & Specialised

Industrial, healthcare, clean-room and emergency light

Outdoor & Infrastructure

Landscape, street, sports, tunnels, solar and smart poles

LED & Retrofit Solutions

Lamps, panels, battens, strips, portable and retrofit

Smart & Human-Centric

Wireless control, tunable light, scenes and monitoring

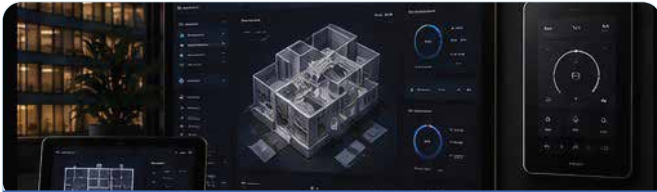

Controls, Components & Tech

Drivers, optics, sensors, testing, thermal and OEM

HOMETECH EXHIBITOR PROFILE

Connected systems for intelligent living

Automation, security, AV, energy and smart appliances come together as one interoperable ecosystem.

Platforms & Smart Controls

BMS, hubs, switches, sockets, dashboards and voice

Smart Fans & Air Movement

BLDC, decorative, ceiling & portable fans; exhaust, ventilation, motors & controls

Security, Access & Life Safety

CCTV, locks, intercom, intrusion, fire, gas and leak

AV, Entertainment & Connectivity

Displays, theatres, multi-room audio, Wi-Fi and mesh

Energy, Solar, Storage & EV

Meters, smart DBs, inverters, batteries and chargers

Smart Kitchen, Cleaning & Laundry

Connected cooking, cooling, washing and cleaning appliances

Air, Water, Wellness & Comfort

IAQ, purifiers, bathrooms, assisted living and furniture

Components, OEM, AI & Test

Protocols, modules, PCBs, cloud, cyber and commissioning

VISITOR PROFILE

Meet the people who specify and buy

One decision-making universe across lighting, automation, energy, security, AV and smart appliances.

Architects, Lighting & Interior Designers

Creative and specialist specifiers for light and intelligent spaces

Developers, Builders & Owners

Residential, commercial, hospitality and infrastructure decision makers

MEP, Electrical, HVAC & Sustainability

Consultants who define performance, integration and compliance

Automation Consultants & Integrators

System integrators, installers, contractors and commissioning teams

Government, PSU & Infrastructure

Municipal, smart-city, public-works and institutional authorities

Procurement, Facility, IT & CRE Heads

Operational leaders managing projects, assets and connected estates

Security, AV & Institutional Buyers

Security, hospitality, retail, healthcare, education and corporate

Dealers, Distributors, OEM & Channel

Importers, exporters, e-commerce and market-development partners
